

## Chamber Members SAVE!

Being a chamber member offers you an abundance of opportunity, including ample occasions to **connect** with other business leaders, **expand** your influence, and **learn** about your local business environment.

But, did you know membership also provides access to **significant savings & member-only specials** on business services you use every day? Through the chamber's participation in **members SAVE<sup>SM</sup>**, your business joins the collective buying power of more than 20,000 member businesses from across the state.

It couldn't be simpler...

- No enrollment fees
- No minimums
- No obligations or restrictions

## Operations

---

### OfficeMax

**Average 35% savings everyday & free delivery!** SAVE on office supplies, furniture, and printing. Get FREE next day delivery with no minimum order and access to an Exclusive Technology Hotline.

### FedEx

**SAVE as much as 26% on shipping costs** with FedEx. Members SAVE on both air express and ground services, with no commitments, no contracts and no enrollment fees.

### Payroll4members

**Guaranteed lowest price on full service payroll services.** Fast, reliable, accurate, affordable all describe this money-saving service. No set-up fees, hidden charges or surprises. Members appreciate the savings and have confidence knowing that a SAS 70 Type II accredited processor is handling payroll.

### FleetCard4members

**SAVE on a powerful automotive fuel, maintenance, and service solution.** It's easy. A single card allows a business to charge and track fuel, vehicle maintenance, and repair purchases. Powered by the Voyager network, Fleetcard4members is already accepted at more than 200,000 locations nationally. No more wasted time seeking a service center, and drivers no longer need to keep receipts or log fueling purchases. Plus by using the card members receive 4/10 % discount off all retail price for fuel, vehicle maintenance, and repair purchases!

### Pricelock

**Play on the same fuel pricing field as corporate titans.** Unbudgeted fuel price spikes can adversely impact your bottom line. Pricelock can provide you with fuel cost predictability.

### TSYS Merchant Solutions

**SAVE on credit and debit card transactions and other merchant services.** This member only program offers no application fees, no set-up or reprogramming fees, and no monthly minimums. Members receive special processing rates and exclusive program savings! Best of all, the meet or beat policy ensures that members always pay the best rate possible.

### CloudStorage4members

**Cost effective online file storage and sharing.** Hosted by DriveHQ, a leading cloud-based Virtual Office, Server and IT services provider, CloudStorage4members services range from quick and simple Online Storage, Sharing and Backup services to advanced Cloud-based Server Hosting services to enterprise white label services. Replace your local File Server, FTP Server, Email Server and Backup Solutions, while saving money on more features than in-house solutions.

### Print4Members

**Quick, Easy, AFFORDABLE!** For quick turn, high volume print jobs done on the cheap, check out how simple it can be. Business cards, postcards, flyers, and posters this online shop does it all.

## Human Resources

---

### **Anthem**

**FREE value-added benefits** including no-cost life insurance, web-based wellness programs, and a travel assistance service, are available to small business members (2-99 employees) that offer Anthem Blue Cross Blue Shield and HealthKeepers.

### **ChamberSolutions HSA**

**Say goodbye to high fees and charge.** This unique Health Savings Account option offers a highly competitive set of features like a free HSA Visa® Check Card, free first order of checks, and a low \$2.50 monthly fee - which is waived for the first 90 days.

### **WorkersComp4members**

**A customized program** with a commitment to quality service, effective risk management services and aggressive, equitable claims management, you can count on fast, responsive solutions. Backed by an A+ rated carrier that specializes in only workers compensation coverage, members SAVE on workers' comp premiums.

### **CTGroup**

**10% premium reductions** are offered to members with 2-9 employees on group term life, short term and long term disability coverage.

### **ChamberRx**

**A FREE benefit that SAVES cardholders 10-85%** on brand name and generic prescription drugs at more than 58,000 participating pharmacies nationwide.

### **Hearing4members**

**Hear better, Live fully.** This complementary program for managing hearing care and obtaining hearing aids through a national network of high quality providers is offered through EPIC's Hearing Service Plan, giving members access to quality hearing care and savings on name brand hearing aids and related technology. Call 866-956-5400 to get started.

## Communications

---

### **RingCentral Office**

**At up to 50% off of regular retail pricing** you can offer small business members a way to connect every phone they own to one phone number. This award-winning complete cloud-based VoIP business phone system eliminates the need for expensive on-premise PBX equipment, has no set up fees, and no contracts - just instant activation and a complete communication platform supporting voice, fax, toll-free and mobility needs.

### **Webcast4Members**

**An affordable, powerful tool for hassle-free meetings and presentations** from your computer, mobile phone, or tablet computer!

### **FreeCalls4Members**

**Members get no cost conference calls** for up to 250 participants that includes a "web dashboard" to control the call and each caller's participation, as well as the ability to record and instantly download the recording for playback, editing or distribution. You won't believe that it's FREE.

### **Wireless4members** (coming soon)

**GREAT DEALS!** Powered by Simplexity, this online shopping cart offers deals by the nation's top wireless service providers. Comparison shop carriers, service plans, phones and accessories from the comfort of your desk.
